Craving a sugar rush? A new Brampton bakery wants you to have your cake and a \$200 grand prize, too at its grand opening celebration and cake eating contest. To celebrate the shop's grand opening, owner Sahajbir Kaur is holding a cake eating contest on August 5 where contestants can win up to \$200 in cash and \$100 in gift cards. To register for the contest applicants can text "let me eat cake" and their full name to 416-262-2661. There is a \$15 cash entry fee payable at the event. On top of the contest, Kaur said there will be free cake samples, doughnuts, cookies and cake pops for guests to sample, and family-friendly activities at the grand opening celebration. The SK Confectionery grand opening runs from 4:00 p.m. to 7:00 p.m. on Aug. 5, with the cake eating contest starting at 6:00 p.m. SK Confectionery is located at 2120 Northpark Dr. in Brampton.

Home Hack!

Use a hair dryer to get crayon marks off the walls.

If your kids like to use your white walls as their personal crayon canvas, all hope is not lost. Simply heat the offending portion of the wall with a hair dryer for a few seconds to soften the crayon's wax and then wipe any marks away with a soft cloth.

Riddles

1. What time is it when an elephant sits on a fence?
2. What gets wet while drying?
3. What is the difference between a jeweler and a jailer?
4. What can go up a chimney down, but can't go down a chimney up?
5. What can you hold in your right hand, but never in your left hand?
6. What can you catch, but not throw?

Did You Know?

Canada is the number 1 donut consumer in the world. When talking about Canada facts, the obvious choice is to talk about donuts first. We love donuts! There are only 30-million people in Canada, but we eat 1-billion donuts annually. We can thank Tim Horton's for this title. It is Canada's most popular coffee and donut chain.

Motivation To Keep You Going

"You can get everything in life you want if you will just help enough other people get what they want."

"Inspiration does exist, but it must find you working."

"When you have a dream, you've got to grab it and never let go."

"Keep your face always toward the sunshine, and shadows will fall behind you."

Your Monthly Horoscope

Aries (March 21 - April 19)

POV: You're in your thirties, living your best life & jumping at the opportunity to try out new restaurants every week. You might be spending serious cash on your many extravagant nights out but remember you won't be young & thriving forever. Since Jupiter is in Aries until October, you have our blessing to manifest your wildest dreams they have the potential to become your reality!

Taurus (April 20 - May 20)

Perseverance goes a long way, especially when it comes to respecting a budget & you know a little something about perseverance. It ain't easy saying no to summer hangout invites to keep a lid on your expenses, but it is necessary if you want to hit your savings goals for that hard-earned nest egg! Whatever you may be saving for, we know it's worth it & that you have the power within you this month to make it happen.

Gemini (May 21 - June 20)

This month, your career is in the spotlight, At work & in your personal life, things couldn't be sweeter it's almost as though you're living in a Pharrell Williams music video, where everything is coming your way without much effort. Showing up with your full magnetic self is more than enough. Don't pass up this blessing! Some of us are already jealous.

Cancer (June 21 - July 22)

Whether you like it or not, it's time to break out of your shell for a little romance. Trust us you won't regret it. With Venus in Cancer at the start of the month, you could meet the partner of your dreams at any time, whether that means through vacationing or swiping right. No matter what this may look like for you, this is the time to dream big for a wedding of your own.

Leo (July 23 - August 22)

There's no season quite like Leo season! When the Sun is in Leo, nobody can take your crown away from you, dear lion. All eyes are on you now, with professional opportunities coming through right, left & centre. In the love department, you're ready for some sizzling action but you might have to wait it out a little longer. A little patience never hurt anybody especially not a firecracker like you!

Virgo (August 23 - September 22)

FOMO is real & you may be experiencing a great deal of it this month. When the demand for your time & energy is high we know it won't be easy to say no to the many invitations you'll receive. There lies the most gratifying reward: Beauty sleep. Much-needed rest will triumph over even the most extensive 12-step skincare regimen.

Libra (September 23 - October 22)

If there's one thing that Libras know about themselves, it's that they can be extremely lucky when it comes to making money. This month, you can trust your intuition to lead you into making some serious moves in your life. Whether it's investing in promising startups or getting a degree to level up your status, you're killing it.

Scorpio (October 23 - November 21)

Don't let the mundane-ness of life get in the way of your meaningful relationships. As much as work can take the cake in your life, it shouldn't affect your sense of humor to the point where your inner circle needs to plan an intervention. Skip the awkward conversations & go straight to booking a round trip to the south of France.

Sagittarius (November 22 - December 21)

As much as you'd like to buy that plane ticket without permission, you're feeling some pressure at home & work this month. By putting your leadership skills on display, you'll have better chances of being considered for that promotion you've been dreaming about. Yeah the one that could have you scoring more vacation days for all of those worldwide excursions.

Capricorn (December 22 - January 19)

You're a 10 but you're the queen of coming up with creative date night ideas that don't break the bank. Honey, you're a 12! This month, you may feel a little tight with finances but you still want to shower yourself & your loved ones with thoughtful gifts & experiences. With that attitude, you'll be sure to have a beautiful August filled with unforgettable memories!

Aquarius (January 20 - February 18)

Make some room for your friends this month. While it may be challenging to find time to see them when you're in a relationship, it's extremely important to stay connected with them. As a matter of fact, it's just as effective as therapy sometimes!.

Pisces (February 19 - March 20)

Build a life you love, surrounded with people & hobbies that connect you with your most authentic self, dear Pisces. Elevate your lifestyle in such a way that you can reach new heights — just like Maverick in Top Gun. Your true transformation begins when you can find yourself a Rooster to mentor and fuel to even greater heights.
